## **Chainsaw**

## **Bertine Zetlitz**

they say you're in the building working wonders with the chainsaw they say you're in the building working wonders with the chainsaw for good this time / I am left behind

they say you're in the building working wonders with the chainsaw they say you're in the building working wonders with the chainsaw for good this time / I am left behind

they say you're in the building working wonders with the chainsaw they say you're in the building working wonders with the chainsaw for good this time / I am left behind

```
come on
come on
come on
come on
come on
come on
keep on
keep on
keep on
messing with my mind
```

colour me blind
colour me blind
