

# Never Let You Go

Bertine Zetlitz

Juliet wrote  
'tell him I'm leaving'  
Nice little note  
Knew he'd be grieving  
And if he'd speak in code,  
I'd let him know what's on my mind  
Surely alone, I will be beaming

You'll never let her go  
And you'll never let her know  
That you never let her go

Suitcase all packed  
Placed in the doorway  
He never knew  
You would go that way  
He thought that you would  
always be around to keep him safe  
Surely alone, she'll be a great lay  
(lay, lay, lay, lay, lay, lay, lay)

But she'll never let you go  
Though she'll never let you know  
That she never let you go

You will never let her go  
And you'll never let her know  
That you never let her go

Na na na na na na na  
Na na na na na na na  
Na na na na na na na

She will never let you go  
But, she'll never let you know  
That she never let you go

You will never let her go  
And you'll never let her know  
That you never let her go
