

# Final War

**Besatt**

When the infantry is marching on the earth begins to quake  
Above the army black standards with pentagrammatic shapes  
The beasts from Hell need to satisfy their lust for blood  
It is the time of Armageddon, no mercy for votaries of god

The sky is flooded with clouds  
Bloody rain drips the ground  
There is only hatred in our eyes  
Hear a powerful ominous roar  
Satan!!!

Black armours shine  
Swords ready to kill  
Strength and blasphemy  
The mighty sinister scream  
Revenge!!!

Tight armies clash in battle  
Heads fall off, dead bodies drop  
Mercy failed, crucifix covers by blood x2  
Infernal victors uplift a black flag

War  
War

The era of Antichrist has finally come
