

Ruthless Warrior (Moloch)

Besatt

A mighty nostrils can feel the blood as a fresh breeze
A black eyes can easy penetrate the darkness of night

Master from land of tears
Member of hellish board
Demon of holy fire
Ruthless, hard-boiled warrior

Sharp tusks are biting a meat of burned, victims
Curved horns are sticking up grandly on bull's head

The time of revenge is coming
A time of bloody war

Master from land of tears
Member of hellish board
Demon of holy fire
Ruthless, hard-boiled warrior

Huge arms are ready to break a angel's bones
Iron fist crushes a heart, ripped out from cherubim's
breast
