

# Keep It To Yourself

Bessie Smith

If your man is nice and sweet  
Serving you lots of young pig meat  
Oh yes, keep it to yourself

If you know you are standing fast  
Got him worried where you at  
Oh yes, keep it to yourself

He don't fall for no one  
He don't call for no one  
He don't give nobody none of his L.O.V.E.  
'Cause it's yours

If your man is full of action  
Givin' you lots of satisfaction  
Oh yes, keep it to yourself

If you gotta have a kiss and a sweet  
Makes me week way down in my knees  
Oh yes, keep it to yourself

If he tries to treat you right  
Give him lovin' every night  
Oh yes, keep it to yourself

He don't fall for no one  
He don't call for no one  
He don't give nobody none of his L.O.V.E.  
'Cause it's yours

With your man you got the best go  
Don't broadcast it on nobody's radio!  
Oh yes, keep it to yourself
