

Take Me For A Buggy Ride

Bessie Smith

You're my man, you're so nice and brown
Sweetest man in this town
I heard you say you was goin' away
And leave me here to stay
I feel like I could cry
And here's the reason why

Daddy, you really know your stuff
When you take me for a buggy ride

I like you when you got your habits on
You can shift your gear with so much pride
I gets a funny feelin'
When you gaze into my eyes
You give me so much thrill
You make my thermometer rise

I'm happy when you're by my side
When you take me for a buggy ride

Daddy, you're as sweet as you can be
When you take me for a buggy ride

When you set me down up on your knee
And ask me to be your bride
When you hug and kiss me
It makes me feel fine
I gets this funny feelin'
Up and down my spine

You don't need no teachin', you don't need no guide
When you take me for a buggy ride

Your lovin' ain't so forte in the park
But you a lovin', poor creature in the dark
You ain't so hot, what can it be
That makes me say? "Daddy, take all of me"

You always ready every time that I call
What I like about you, you never stall
You ain't no preacher, you a good old soul
You done sent salvation to my very soul

I can't kick but I'm satisfied
When you take me for a buggy ride
