

Fine Without You

Best Coast

If you spent all your life
Comparing yourself to her
Eventually you will find
There's no one like you in this world

I know it's hard
I know it's hard to understand
But you've got to let it go
The situation's out of your hands

If you spend all your life
Chasing after him
Eventually you will find
It never was right to begin

I know it's hard
I know it's hard to understand
But you've got to let it go
The situation's out of your hands

Sometimes I feel like I've been living a lie
I always try
But it was never enough
It got so tough out there without you
And now I pace alone in my room
Wondering how to be fine without you
Fine without you
Fine without you

If you spend all your life
Wasting all of your time
Eventually you will drive
Yourself out of your mind

I know it's hard
I know it's hard to understand
But you've got to let it go
The situation's out of your hands

Timing was off, feelings got caught
Now I can't quit, it makes me sick
Said and done
I can't have fun, I'm not fine without you
