

# Run Through My Head

Best Coast

You only call me when you're all alone  
I don't know why I pick up the phone  
I guess I'm lonely and you are too  
This is the last thing I wanna go through  
I wanna go through, through  
I wanna go through, through oh oh

It's a mystery, it's a mystery why you ever left  
I don't know why, I don't know why I am second best

All that I wanted was a second chance  
So I can convince you to take me back  
I guess you're gone now, far away from home  
And I'm just stuck here, confused and alone  
Lone, confused and alone, lo-oh-one

It's a mystery, it's a mystery why you ever left  
I don't know why, I don't know why I am second best  
It's a mystery, it's a mystery why you ever left  
I don't know why, I don't know why I am second best

All of the things  
I never said  
Run through my head (9x)

It's a mystery, it's a mystery why you ever left  
I don't know why, I don't know why I am second best  
It's a mystery, it's a mystery why you ever left  
I don't know why, I don't know why I am second best
