

Summer Mood

Best Coast

Walking away
Talking all day
Uh, I want you
Uh, I want you

Walking away
Talking all day
Uh, I want you
Uh, I want you

But there is something about the summer
There is something about the summer
There is something about the summer

Walking away
Talking all day
I can't stand this
I can't stand this

Walking away
Talking all day
I can't stand this
I can't stand this

But there is something about the summer
There is something about the summer
Something about the summer
Something about the summer

That makes me moooooooooooooody
That makes me moooooooooooooody
That makes me moooooooooooooody
That makes me moooooooooooooody
