

## Summer Mood

Best Coast

Walking away  
Talking all day  
Uh, I want you  
Uh, I want you

Walking away  
Talking all day  
Uh, I want you  
Uh, I want you

But there is something about the summer  
There is something about the summer  
There is something about the summer

Walking away  
Talking all day  
I can't stand this  
I can't stand this

Walking away  
Talking all day  
I can't stand this  
I can't stand this

But there is something about the summer  
There is something about the summer  
Something about the summer  
Something about the summer

That makes me mooooooooooody  
That makes me mooooooooooody  
That makes me mooooooooooody  
That makes me mooooooooooody
