

# This Lonely Morning

Best Coast

I wait for you to call but sometimes you don't call at all  
I wait for you to stay but sometimes you just go away

This Lonely Morning, This Lonely Morning  
This Lonely Morning, This Lonely Morning

The haze is on my mind, I'm running from myself this time  
And I don't see fine, I can't walk in a straight line

This Lonely Morning, This Lonely Morning  
This Lonely Morning, This Lonely Morning

And I don't know why I'm feeling this way all the time  
You're always on my mind, I can't escape the world sometimes

This Lonely Morning, This Lonely Morning  
This Lonely Morning, This Lonely Morning

I see what people say, I know I can't go anyway  
These feeling never change and oh, I can't go anyway  
My heart that pound and break, I know I can't go anyway  
And though the day is grey, I know I can't go anyway

This Lonely Morning, This Lonely Morning  
This Lonely Morning, This Lonely Morning

This Lonely Morning, This Lonely Morning  
This Lonely Morning, This Lonely Morning
