

# When I'm with You

Best Coast

The world is lazy  
but you and me  
we're just crazy

So when I'm with you, I have fun  
Yeah when I'm with you, I have fun

The world is lazy  
but you and me  
We're just crazy

So when I'm with you, I have fun  
Yeah when I'm with you, I have fun

Ever since I was a little girl  
My mama always told me  
there'd be boys like you

So when I'm with you, I have fun  
Yeah when I'm with you, I have fun

I hate sleeping alone  
I hate sleeping alone  
I hate sleeping alone  
I hate sleeping alone  
Alone  
Alone  
Alone  
Alone  
Alone
