

## Wish He Was You

Best Coast

I'm always wakin' up  
with somethin' in my head  
It's 6 A.M  
and I'm in someone elses bed

Oh how I wish he was you  
Oh How I wish he was you

I'm tired of my lyin'  
tired of my tryin'  
tired of you  
avoiding me

Oh how I wish he was you  
Oh how I wish he was you  
I wish he was you

I'm always wakin' up  
with somethin' in my head  
It's 6 A.M  
and I'm in someone elses bed

Oh how I wish he was you  
Oh How I wish he was you  
I wish he was yooooooooou
