

Christcrushing Hammerchainsaw

Bestial Mockery

Torture is our seed
That we with chainsaw feed

Cracking the angels wings
Breaking the bones of Christ
Smashing the face of god
Christcrushing Hammerchainsaw

Drinking gasoline
I am Jesus fiend
Hammering through their armies
Now evil has reached the throne of god

Christian whores raped
Guts of Jesus slained
See the darkness rise
Your god is doomed to fucking die

War
Evil
War
Christcrushing Hammerchainsaw
War
Satan
War
Christcrushing Hammerchainsaw

Chainsawkill!

Sniffing Zyklon-B
Hell is what you see
Crushing Jesus soul
Now we reached the fucking goal

Cracking the angels wings
Breaking the bones of Christ
Smashing the face of god
Christcrushing Hammerchainsaw
