

Domesticator

Bestial Mockery

Summoned pains of Hell
In evil machinery
Engines of Death
Roars the lust of Satan

Flaming fluids run
Through living machines
Evil spirits rides
The rotating blades

Ancient dark prevail
The suffering of souls
Demon-goat Infernal
Pajasuor, the Twisted Black

Only one can tame the saw
Domesticator Pajasuor
Infernal supremacy
On Satan's right hand

Chambers in the deepest pits of Hell
The ancient lair of pain
Horrific blasphemies unfold
Impure chainsaw orgy

Turn the cross
Down to Hell
Sacrifice
Feel the rotting smell

Pajasuor - Domesticator supreme
Damned to Hell
The master of suffering
Pajasuor - Domesticator supreme

Pajasuor - Domesticator
Only one can tame the saw
Domesticator
Pajasuor
