

## Evoked The Desecrator

## Bestial Mockery

Wailing blasphemies  
In the dark of the cemetery

An undertaker masturbating  
Upon death-cold breast

Fear, Filth and Evil  
Throughout the world  
Evoked the Desecrator!

Aaarghh !!

Behold how Satan  
Rips the womb  
Of Mother Mary

Behold the rise of the Beast in man  
Desecrating the monument  
Of holy slavery

Evoked the Desecrator

Fucked Saint  
Raped Faith  
Crushed Cunt  
Impaled Christ

Hail Infernal Majesty !

This time no fake,  
I want God's head on a plate !
