

Father in Heaven

Bestial Mockery

Father in heaven
Hallowed be thy cunt
Sadistic shit, blood and hell
Unholy monasteries, corpses spell

Black candles burn
Open the grave
Infant sacrifices
Voices from the deepest depths of hell

Now father in heaven
It's time for you to burn
Nocturnal blasphemies
Piss in the funeral urn

Die!

Sodomy in Bethlehem
Death's head prevail
Twisted black ritual
Decapitation and salvation

Fucking into daybreak
Bloodstained dawn
Chainsaw execution
Deep in evil possession

Spiritual darkness
Engulf eternity
Pestilence and war
Now father in heaven

Die!

Sodomy in Bethlehem
Death's head prevail
Twisted black ritual
Decapitation and salvation
