

Morbid Invertation

Bestial Mockery

Morbid Invertation
Death Invocation
Torturing the son of god
Breaking lights illusion

I'm the messenger of the scythe
With chainsaw in my hand
The opposite of Christ
Show em the fucking truth

Morbid Invertation
Temple of god desecrated
Cutting the priest into pieces
Show em who's in charge

Christ is dead
His cross inverted
None shall penetrate the darkness
Breaking lights illusion

Morbid Invertation
Morbid Invertation
Morbid Invertation
Morbid Invertation
FUCK OFF!!!
