

# Necromantic Ritual Desecration (of a Sacrosanct Angel)

Bestial Mockery

Awaken the force of Imprecation  
In eerie crimson light  
Together in absolute Evil  
In a Hellish choir we summon thee

Eclipse of the woods  
Devils dance between the trees  
The blood-filled chalice begins to burn  
And grotesque shapes cry in pain

Hold the dagger of Sacrifice high  
Source of Evil prevail  
Demons rise from the Hell which you are spawned  
This is for you my Lord

Awaken the force of Imprecation  
In eerie crimson light  
Together in absolute Evil  
In a Hellish choir we summon thee

An instant stench of blood  
Fills the abandoned woods  
Nailed and impaled  
The angel lies in a circle of blood

Bloodlust and desire

Demons...  
Feast at my command
