

The Ecstasy of Holocaust

Bestial Mockery

Agony shreds the weak
Heavens walls are falling
Command of Satan for war
Heavens walls are falling

A ritual of blood and death
A neverending war
Damnation is the breath of hell
Realm of Satan arose

Holy assholes is now raped
The throne of the king is sin
Holocaust ecstasy is reached
Glory and slaughter

Holocaust ecstasy
Orgy of death
Pain and disease
Agony shreds the weak

Heavens walls are falling
Command of Satan for war
Heavens walls are falling
A ritual of blood and death
A neverending war
