

Warfuck

Bestial Mockery

Our goals will not be achieved
With great speeches or
Majority decisions
But with blood and iron

In the last war
Fucked with a Hellhorn
Is the virgin of the christians
A pain without an ending

Destruction strikes the world
Chains of desire rapes the whores

An everlasting orgy
Of blood and perverted lust

Warfuck - fucked with a hellhorn
Warfuck - fucked with a hellhorn

Storm of fucking evil
Hellspawn is unleashed

Armageddon
Inferno in vagina
Sodomize and rape virgin cunt
A total fucking hell

In the last war
Fucked with a Hellhorn
Is the virgin of the christians
A pain without an ending

Warfuck - fucked with a hellhorn
