

Sleepy News

Betchadupa

Sleepy news in yesterday
I wrote it to you
Before I left I had to say
What does it mean?
I left my house at
Half past eight
What did I leave for?
And then I went into the town
Beneath my kingdom
Chorus: (2x)
There I am
I'm dead and you
Killed me
Sleepy news I paint the fence
For all my people
I try so hard to not offend
But fuck you too
Believe me when I try to say
The good Ive done for you
The reason I forget to keep
The troubles in my mind
Chorus (2x)
Sometimes I lie outside
Chorus (2x)
