

# Spill The Light

Betchadupa

Lost in thought  
of the final light  
Out of time  
stayin' home  
Time can drift away

Sun shines down  
The moon fills my sky  
Thin blue silk, it steals my time  
Life can drift away  
I can stay awake

But I know it ain't over till tonight  
Yeah I know, I try to spill the light  
Ah Aaaaaah

Sun I've found  
crashin' down  
Oh Oh Oh Oh Oh Ohhhhhh

But I know it ain't over till tonight  
Yeah I know I try to spill the light  
Yeah I know it ain't over till to niight  
I try to spill the light  
Ah Aaaaaah

Sayin' no more (4x)
