

## For My Friends

Beth Hart

One of us has to say he's sorry, yeah  
Or we will never be friends again  
Let's have a drink and talk it over  
I wanna keep you for my date

We're here today and gone tomorrow, oh  
None of us knows when life will end  
I said some things that caused you sorrow  
I wanna keep you for my friend

A-ha, oh ha  
A-ha, oh ho  
Yeah  
Oh ho

One of us has to say he's sorry  
Or we will never be friends again  
Let's have a little drink and talk it over, oh  
I wanna keep you for my friend

We're here today and gone tomorrow, oh  
None of us knows when life will end  
I said some nasty things that caused you sorrow  
But I wanna keep you for my friend, hey

Aha, oh ho  
Aha, oh ho  
Oh  
Oh ho
