

God Bless You

Beth Hart

I love you and all that you do
I need you to see me through
I want you and I say
Oh and God bless you

She told me you're going away
I said how can I make you stay
I love you and I say
Oh and God bless you

If I call out your name
Could you hear me calling
If I said that it's wrong

Would you say I'm falling
If I told you the truth
Would you stay
Say ya say ya

I love you and all that you do
I need you to see me through
I want you and I say
Oh and God bless you

I could wait a lifetime to see the sunrise

But I would never wait so long to see you all right
And make you okay

Won't you just stay
Say ya say ya

I love you and all that you do
I need you to see me through
I want you and I say
Oh and God bless you
