

# God Bless You

Beth Hart

I love you and all that you do  
I need you to see me through  
I want you and I say  
Oh and God bless you

She told me you're going away  
I said how can I make you stay  
I love you and I say  
Oh and God bless you

If I call out your name  
Could you hear me calling  
If I said that it's wrong

Would you say I'm falling  
If I told you the truth  
Would you stay  
Say ya say ya

I love you and all that you do  
I need you to see me through  
I want you and I say  
Oh and God bless you

I could wait a lifetime to see the sunrise

But I would never wait so long to see you all right  
And make you okay

Won't you just stay  
Say ya say ya

I love you and all that you do  
I need you to see me through  
I want you and I say  
Oh and God bless you
