

# Leave The Light On

Beth Hart

I seen myself with a dirty face  
I cut my luck with a dirty ace  
I leave the light on  
I leave the light on

I went from zero to minus ten  
I drank your wine then I stole your man  
I leave the light on  
I leave that light on

Daddy ain't that bad he just plays rough  
I ain't that scarred when I'm covered up  
I leave the light on  
I leave the light on

Little girl hiding underneath the bed  
Was it something I did  
Must be something I said  
I leave the light on, I better leave the light on

'Cause I wanna love  
And I wanna live  
I don't know much about it  
And I never did

17 and I'm all messed up inside  
I cut myself just to feel alive  
I leave the light on  
I leave the light on

21 on the run, on the run, on the run  
From myself, from myself and everyone  
I leave the light on, I leave the light on  
Better leave the light on

'Cause I wanna love  
And I wanna live  
I don't know much about it  
And I never did

I don't know what to do  
Can the damage be undone  
I swore to God that I'd never be  
What I've become

Lucky stars and fairy tales  
I'm gonna bathe myself in a wishin' well  
Pretty scars from cigarettes  
I never will forget, I never will forget

I'm still afraid to be alone  
Wish that moon would follow me home  
I leave the light on  
I leave that light on

I ain't that bad  
I'm just messed up

I ain't that sad  
But I'm sad enough

'Cause I wanna love  
And I wanna live  
I don't know much about it  
And I never did

I don't know what to do  
Can the damage be undone  
I swore to God that I'd never be  
What I've become  
I leave the light, I leave the light  
I leave the light on

God bless the child with the dirty face  
Who cuts her luck with a dirty ace  
She leaves the light on  
I leave that light on
