

Missing You

Beth Hart

No more scars no more stones
No more words I can't take it no more
No more bullets no country hypocrisy
Can't take it no more
Your promises wash away like rain

And I'll be missing you
I'll be missing you
I don't want to fight no more
I'll be missing you

No more danger your angers
The stranger I can't take it no more
No more ruthless excuses they're useless
I can't take it no more
We're only children after all, all

But I'll be missing you
I'll be missing you
I don't want to fight no more
I don't want to fight
I'll be missing you

We're only children after all
I swear I saw you needing me
We're only children after
Children after
Children after all

No more scars no more stones
No more words I can't take it no more
No more ruthless excuses they're useless
I can't take it no more

And I'll be missing you
I'll be missing you
I don't want to fight no more
I'll be missing you
I'll be missing you
I don't want to fight no more
I don't want to fight
I'll be missing you
I'll be missing you
I'll be missing you
