

# The Ugliest House On The Block

Beth Hart

If it's not one thing it's another  
Flies buzzing around big as hawks  
I'm not just screaming for my supper  
I live at the ugliest house on the block  
So what  
So what

I've been trying to make a little money  
If you got the honey I got the pot  
I'm tired hearing you're so lonely  
I live in the ugliest house on the block  
Get the hell off my lot  
Yeah get the hell off my lot  
Yeah so what

Beating on a dead horse for filler  
I don't go over well with the live stock  
These are serious times there are serial killers  
Next to the ugliest house on the block  
I heard that they hate my house a lot  
They say I ain't gotta shot  
I know I ain't gotta shot

Entertainment's where it's at  
Reality reruns on crack  
My own dad could give a crap  
I'd wear his love if I had a hard hat  
I would rob, but I hate the cops  
Sirens roar and guns go pop  
And Rock 'n Rolls become Hip Hop  
Oh well  
So what  
Yeah so what  
Oh hell  
Suck it up  
So what

I swear to God I'm not a sinner  
I know God likes me a lot  
He has saved me in the river  
So I'll stay in the ugliest house on the block  
I'll stay in this ugly house til I rot  
Be glad for what I got

Entertainment's where it's at  
Reality reruns on crack  
My own dad could give a crap  
I'd wear his love if I had a hard hat  
I would rob but I hate the cops  
Sirens roar and guns go pop  
And Rock 'n Roll's become Hip Hop

Oh nana oh nana na oh nana nana oh nana oh nana oh na na na  
Na na na na

Entertainment's where it's at

My own dad could give a crap  
I'd wear his love if I had a hard hat  
I would rob but I hate the cops  
Sirens roar and guns go pop  
And Rock 'n Roll's become Hip Hop  
You can't be something that you're not  
And when I go lay my head down  
I want a man to stay around  
We'll live in this ugly house  
Oh well  
So what  
Yeah so what  
Oh hell  
This sucks
