

Angels By My Side

Beth Nielsen Chapman

dropped a coin in a wishing well
I turned the wild jack over
Listened to the devil tell
Seven story lies
Cross my heart I hope to live
Tangled with my lover
Opening my sorrows gifts
Laughing as I cry

Still the light will pierce the dark
Still the dark will steal the light
And everything will be all right
Though change won't be denied
All these ways god loves me so
In languages I've come to know
Bended trees with melting snow
And angels by my side

Now I lay me down to sleep,
The troubles of this world release
And the promise of tomorrow keeps
Angels by my side
Angels by my side
Angels by my side

Still the light will pierce the dark
And the dark will steal the light
And grace provides these
Angels by my side
Angels by my side
Angels, angels
