

## I Find Your Love

Beth Nielsen Chapman

I'll catch your smile on someone's face  
Your whisper in the wind's embrace  
Through diamond stars and songs and dreams  
I find your love in everything

The sun, the sky, the rolling sea  
All conspire to comfort me  
From sorrow's edge life's beauty seems  
To find your love in everything

I've come to trust the hope it brings  
To find your love in everything  
Even as I fall apart,  
Even through my shattered heart

I'll catch your smile on someone's face  
...amazing grace
