

I'll Give My Heart

Beth Nielsen Chapman

I'll give my heart
When I hear the sound
You'll speak my name
I'll turn around
To a life I've always known
To a love that call me home
I'll give my heart
And I'll fall so far
Into this dream of who we are
And the moment that it's right
I'll give my heart for the rest of my life
When I see my sweet start shining...
I'll give my heart
And I won't regret
One cloudy day
One teardrop she'd
Every turn on the way
Brings me close to the day
I'll give my love
I'll give my life
I'll give my all
I'll give my heart
