

The Path Of Love

Beth Nielsen Chapman

Oh the path of love is deep with a thousand twists and turns
There are promises to keep, there are endless things to learn
Through the laughter and the tears sometimes lost, sometimes alone

Letting go is how you steer, and it always leads you home
Oh the path of love is free, it will never hold you back
Like the branches of a tree, reaching out till it's lost track
And it opens wide each heart like the seed that breaks the stone

No matter where you are, it will always lead you home
Oh the path of love is true, and it only wants what's best
There are doors it pulls us through as it puts us to the test
And there's nothing to pretend, in our heart somehow we've known

The path of love won't end, no it only leads us home
The path of love won't end, it only leads us home
