

Call Me The Breeze

Beth Orton

Call me the sea
Call me the stream
Call me the sky
Call me the leaves

Hear my call
Hello, lo, lo, lo
Lo, lo, lo, lo

Call me the fire
Call me the air
Call me the grass
The silence of the hare

Hear my call
Hello, lo, lo, lo
Lo, lo, lo, lo

Call me the birds
Call me the bark
Call me the stone
Call me the lark

(Call me the sun
Call me the moon)
Hear my call
Hello, lo, lo, lo
Lo, lo, lo, lo

Call me the day
Call me the night
Call me the dark
Call me the light

Hear my call
Hello, lo, lo, lo
Lo, lo, lo, lo

Call me the wind
Call me the breeze
Call me the north
The south, the west, the east

(Call me the earth
Call me the stars)
Hear my call
Hello, lo, lo, lo
Lo, lo, lo, lo
