

Dolphins

Beth Orton

This old world may never change
The way it's always been
I know all the ways of war
Can I change it back again

I've been searching
For the dolphins in the sea
Sometimes I wonder
Do you ever think of me

I'm not the one to tell
This world how to get along
I only know that peace will come
When all our hate is gone

I've been searching
For the dolphins in the sea
Sometimes I wonder
Do you ever think of me

Sometimes I think about
Saturday's child
And all about the time
You and me were running wild

I've been searching
For the dolphins in the sea
Sometimes I wonder
Do you ever think of me

This old world may never change
