Don't Need A Reason

Beth Orton

Have you ever seen a sign that
Upon a time, there were angels
You won't lose track 'cause
Upon their backs feel the weight of wings

Why'd they fall, it's hard to tell
But some things you can buy yourself

Yeah we only hurt the ones we love
While, we don't need a reason
Only care for the thing we deserve
And that's something to believe in

I think I've seen a sign but it's a very fine line
If you want it all
And don't lose track, upon my back
There's no weight of wings

When they shine, it's hard to say
But some things never fade away

And we only hurt the ones we love
While, we don't need a reason
Only care for the thing we deserve
Like something to believe in

So I've been calling angels down to earth
And I don't need a reason
Calling angels down to earth
Cause I believe we need them...

Yeah we only hurt the ones we love
While, we don't need a reason
You're gonna get all that you deserve
And all that you believe in

That you believe in
Do you need them?
If you need them
Do you know?
Do you need them?
If you need them
Who believes them?
Do you know?
Do you know?

Such a short time...
