

## Whenever

Beth Orton

Whenever I need a friend  
It's you I come round to see again  
You know that I'll always be near  
You're flesh and blood and you're my memory  
Live on in my memory

I send you nothing but love  
Just wait and see  
I send you nothing but love  
Just wait for me  
Wait and see  
Wait and see

Great words,  
You know all the right words to say  
You don't always lean in my way  
You don't always mean what you say

Whenever I need a friend  
It's you I come 'round to see again  
And everything that you do  
Is everything I will ask of you  
You could ask me too

I send you nothing but love  
Just wait and see  
I send you nothing but love  
Just wait for me  
Wait and see  
Wait and see

Great words,  
You know all the right words to say  
You don't have to lean in my way  
We don't have to mean what we say
