

For My Love

Bethany Dillon

Walk towards me
I want to hear
The heavens singing over you
When you breathe
And look at me
I want to be captured by you

Gaze into my eyes
And let me know you'd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my love

I want to hide
What's deep in my eyes
I'm scared to be known by you
But when I turn my head
And see you there
I want to be pursued

Gaze into my eyes
And let me know you'd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my love

A dream I won't wake from
A story that will never end
The ground your feet walk on
Let me be there, let me be there

Gaze into my eyes
Let me know you'd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Just ask me for my love

Gaze into my eyes
Let me know you'd fight
Thousands, for my love
Slip your hand in mine
Ask me to dance with you tonight
Ask me for my love
