

# All Along

Bethany Joy Lenz

Hey it's been a long time  
Hey I'm missing you around  
I know I'm not who you want to see  
But baby please  
Hey don't walk away from me  
Babe. Can't you let go of the past  
Please. I didn't mean to hurt you that way  
Don't you have anything to say

All Along  
Why didn't you see  
All Along  
I didn't know what you'd mean to me  
All Along  
You never tried you never believed  
All Along  
I needed to learn how to fly  
I needed you by my side  
Maybe we just needed time  
Maybe you just needed out  
All Along

No, you can't walk back into my life  
No, I can't afford to fail  
Please go. I find myself falling again  
No baby won't you please

All along  
Why didn't you see  
All along  
I didn't know what you would mean to me  
All along  
You never tried, you never believed  
All along  
Well I'm gonna learn how to fly  
I can't let you (leave me high')  
I need you to tell my goodbye  
It will be different this time...

All Along  
All along, I just didn't see...  
Yeah...

All Along  
Why didn't you see  
All Along  
I didn't know what you'd mean to me  
All Along  
You never tried you never believed  
All Along  
I needed to learn how to fly  
I needed you by my side  
Maybe we just needed time  
Maybe you just needed out  
All Along
