

Let Me Fall

Bethany Joy Lenz

It's October again
The leaves are coming down
One more year's come and gone
And nothing's changed at all

Wasn't I supposed to be someone
To face the things that I've been running from

Let me feel
I don't care if I break down
Let me fall
Even if I hit the ground
And if I cry a little, die a little
At least I know I lived
Just a little

I've become much too good
At beingincible
I'm an expert at play it safe
And keep it cool

But I swear
This isn't who I meant to be
I refuse to let my life roll over me

I wanna be somebody
Who can face the things that I've been running from

Let me feel
I don't care if I break down
Let me fall
Even if I hit the ground
And if I cry a little, die a little
At least I know I lived

It's October again
Leaves are coming down
One more year's come and gone
And nothing's changed at all
