

# Greatness of Your Glory

Bethel Music

No one has to be afraid  
For love is stronger than the grave  
The hand of God has made a way  
His name is Jesus  
Heaven reaches out for me  
Broken on a sinner's tree  
I was blind but now I see  
His name is Jesus

God from God  
Light from light  
Your love broke through the great divide  
You died and rose to testify  
To the greatness of Your glory  
Oh, the greatness of Your glory

On mountains high and valleys low  
When suffering's all Your servants know  
We'll share the everlasting hope  
His name is Jesus  
While joy and mourning have their place  
And nothing here is put to waste  
Death will die and love remains  
His name is Jesus

Your kingdom coming closer and closer  
Glory to Glory brighter and brighter  
Heaven is singing louder and louder

Your kingdom coming closer and closer  
Glory to Glory brighter and brighter  
Heaven is shouting louder and louder forever and ever

God from God  
Light from light  
Your love broke through the great divide  
You died and rose to testify  
To the greatness of Your glory  
You will come again to testify  
To the greatness of Your glory  
Oh, the greatness of Your glory

For the reign of God will never end  
He has come and He will come again  
The Lord of all my confidence  
His name is Jesus
