

## Hope's Anthem

Bethel Music

He's awakening the hope in me  
By calling forth my destiny  
He's breathing life into my soul  
I will thirst for Him, and Him alone

He has come like the rain  
That showers on the barren plain  
So my heart and tongue confess  
Jesus Christ, the hope of man

My hope is in You, God  
I am steadfast, I will not be moved  
I'm anchored, never shaken  
All my hope is in You

He's bringing hope to the hopeless  
And giving His heart to the broken  
And sharing His home with the orphan  
He is the joy, He is my joy

He is the hope of the nations  
The Father's heart we're embracing  
He is the song we're declaring  
He is the joy, He is my joy

Why so downcast oh, oh my soul  
Put your hope in God alone
