

I Can Feel You

Bethel Music

The wind and waves surround me
And I'm tossed, feel like I'm drowning
I am tired, I am weak, I need You here with me
'Cause I can feel the rising tide
But I don't have the strength to fight
I feel clouded and confused, I need You here with me

In the chaos of the storm,
I have drifted far, far away
But I call out Your name
Cause You are just a breath, a breath away

Then through the shadows Your light appears
I've known You're with me, but now it is clear
I can feel You, Jesus all around
Like sun on my skin, warm to the touch
Here You surround me, and I am held by love
I can feel You, Jesus all around

Now hope is rushing through my veins
With everything You've rearranged
I am peaceful, I am brave, When You're here with me
All my questions find their answers here
When You come You change the atmosphere
I am focused, I am clear, When You're here with me

There is nothing in this world
That will satisfy my soul like You do
There is nothing in this world
That will satisfy my soul like You do

Though the storm it rages
I won't be moved, I won't be shaken
I am anchored in You
I can feel You, Jesus all around
