

In the process
In the waiting
You're making melodies over me
And your presence
is the promise
For I am a pilgrim on a journey

You will lift my head above the mighty waves
You are able to keep me from stumbling
And in my weakness
you are the strength that comes from within
Good shepherd of my soul
Take my hand and lead me on

You make my footsteps and my path secure
So walking on water is just the beginning
Cause my faith to arise, stand at attention
For You are calling me to greater things

Oh
how I love You
how I love You
You have not forsaken me
Oh
How I love You
how I love You
With you is where I want to be
