

Starlight

Bethel Music

You're like starlight in the dark
Endless miles can't conceal You
And every glimmer is a spark
Catching fire as You break through

Oh, You're not far away
You're coming close
And oh, even as I wait
You're coming close

You're like summer in the night
The sun goes down but still I feel You
And every shadow's turning bright
Every broken heart is made new

Oh, You're not far away
You're coming close
And oh, even as I wait
You're coming close

And there's no heart unseen
There's no space between
You and I
You and I
You are closer than
The very oxygen
I'm breathing in
Oh, I breath You in
You are God with us
You are here with us
Immanuel!
Immanuel!
You are infinite
Your glory has no end
Jesus!
Jesus!

There's no heart unseen
There's no space between
You and I
You and I
'Cause You are closer than
The very oxygen
I'm breathing in
Oh, I breath You in
You are God with us
You are here with us
Immanuel!
Immanuel!
You are infinite
Your glory has no end
Jesus!
Jesus!

Oh, You're not far away
You're coming close
And oh, even as I wait

You're coming close

'Cause You're like starlight in the dark
Endless miles can't conceal You
And every glimmer is a spark
Catching fire as You break through...
