She Is My Guide

Beto Vázquez Infinity

I am the breath Behind your neck Under the sky And the oceans

Wherever you're falling I 'll always be By your side to give you My soul

Where the fantasy unites with the Dark reality Are the dreams you wake up

Look at me red sunset When hope is forever Look at the horizon and Beyond the stars

Look at me red sunset When hope is forever Look at the horizon and Beyond the Sky

I am the breeze Playing with your hair The autumn light In the forest

Feel my pain nevermore shall return She is my guide and she will be forever She is my guide.
