

## Come and Get These Memories

Bette Midler

Lover you've gone from me  
And left behind so many memories  
Here's your old friendship ring  
I can't wear it no more  
Here's your old love letters  
I can't read them any more  
Lover you've gone from me  
And left behind so many memories  
Here's that old teddy bear  
That you won from me at the state  
Here's some old valentine cards  
Give it to your new sweetheart  
Lover you've gone from me  
And left behind so many memories  
Come and get em, come and get em  
Here's our old favorite record  
I can't stand to hear it anymore  
Here's some old lingering love  
Its in my heart and its tearing it apart  
Because of these memories  
I never think of anybody but you  
So, come on and get 'em  
'Cause I found somebody new  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories  
Since you've gone out of my life  
Come and get these memories  
Since you've gone out of my life
