Bette Midler

On the end of the earth
I found my life
Bette&Tina: Twice in a day, not picking my life up everytime I
go along. But I need my life with me!

But you're seeing me and my end credits
But your shouting my end credits
Seeing me now
Makes you realize

Shouting out your name to the world but I just get rejected. Bu
t I feel sad and as I leave the door.
Bette&Tina: Saying end credits!

But your seeing me and my end credits
But your shouting at my end credits
Seeing you now
Makes me realize

End Credits!
