

In My Life

Bette Midler

There are places I remember
All my life, though some have changed.
Some forever, not for better.
And some have gone, and some remain.

All these places have their moments
With lovers and friends I still can't recall.
Some are dead and some are living.
In my life I love them all.

But of all these friends and lovers,
There is no one compares with you.
And these memories lose their meaning
When I think of love as something new.

Though I know I'll never ever lose affection
For people and things that went before,
I know I'll often stop and think about them.
In my life I love you more.

Though I know I'll never ever lose affection
For people and things that went before,
I know I'll often stop and think of them.
But in my life I loved you more.
I love you more.
I love you more.
