I see so many golden women; when they walk their feet don't touch the ground. How I want, how I want to deserve you. But me, I'm always out of rhythm. My needs too demanding, too proud. How I want, how I want to deserve you.

I didn't want you to see me like this. The light of the dawn can be cruel. How I want, how I want to deserve you. And if I could be granted a wish, I'd shine in your eye like a jewel. How I want to deserve you.

I would die for you.

Could you ever love me that much?

How I want, how I want to deserve you.

Yes, you tell me this,

and I want to believe that it's true.

Aah, how I want, how I want to deserve you.

I didn't want you to see me like this. I'm weak and I fight like a fool. How I want, how I want to deserve you. And if I could be granted a wish, I'd shine in your eye like a jewel. How I want to deserve you.

If I could be your angel
I'd trade in my arms for some wings
to keep you close to me.
And if I could trade my voice
for the silence I know that you need.
Aaaah, how I want, how I want to deserve you.

I didn't want you to see me like this. So frightened of losing so soon. How I want, how I want to deserve you. And if I've caught our love in a grip, just tell me and I'll shake it loose. How I want to deserve you.

Oh, na na na na na.
Oh, ohhhhh.
How I want to deserve you.
Na na na na na na na.
Whoa, ohhhhh.
How I want to deserve you.
Oh, I want to deserve you.
Na na na na na na . . .
